President

Now that we are seeing signs of spring and the measured snow amounts are a distant memory, I am excited about various events that our Art Center is involved in, that are taking place in the next several months. Mark your calendars! Later this month the Chocolate Festival will make your taste buds come alive. I hope you will take the time to come out and support this endeavor. In the month of May, come Rise and Dine for breakfast at Vic's Italian American Restaurant while supporting the Art Center.

What would we do without all our volunteers? Each and every volunteer is greatly appreciated. To show our appreciation the Center is declaring the month of May as our Volunteer Appreciation Month. I want to personally thank all our volunteers that help make the Allegheny Highlands Arts and Crafts Center a nice place to visit, to shop, and ensure that the impact that the Art Center makes in our communities will be lasting.

Daryl Shreve
